Penguin Putnam Inc, United States, 2012. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. As a hard winter on the Colorado mountainside finally yields to spring, more than snow is melting in Angel s End. To Cassie Parker, Colorado is the farthest point on earth from the dusty, troubled life she left behind in Texas. Here she has a birthright--her grandfather s land not far from town--and a chance at a promising new start. And Jake Reece certainly is promising. There s never been a day in Jake s life that he didn t work harder than anyone else, and he s got a thousand head of cattle and the ranch of his wildest dreams to prove it. Yet winter has a way of making even the most independent of men long for more. That must be why he s so drawn to the strange, secretive beauty who s taken up on the Parker land. But when Cassie runs afoul of the local cattleman s association--with Jake at the helm--what started as sparks ignites into a full blaze. And things in Angel s End are about to really heat up.
