Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ORDNANCE AND GUNNERY: A TEXT-BOOK PREPARED FOR THE CADETS OF THE UNITED STATES MILITARY ACADEMY, WEST POINT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ordnance and Gunnery: A Text-Book Prepared for the Cadets of the United States Military Academy, West Point The material of war has undergone greater changes in the past thirty years than in the previous hundreds of years since the introduction of gunpowder. The weapons of attack and defense have become more numerous, more complicated, and vastly more efficient. The appurtenances to their use are more elaborate. The science of gunnery constantly requires of the officer greater knowledge and higher attainments, that he may thoroughly understand the powerful and important instruments that are put under his control and be prepared to obtain from them, in time of need, their full effect. I have attempted in this text to set before the Cadets of the Military Academy the subjects of Ordnance and Gunnery in such manner as to give to the Cadets a thorough appreciation of the fundamental principles that underlie the construction and effective use of the instruments of war, and such practical knowledge of the material of today as should be possessed by every army officer. The purpose held in view in the preparation of the text has been to present, in order, the theories that apply in the use of explosives and in the construction of Ordnance material, the methods pursued in the construction of the material, descriptions of the material, and the principles of its use. The applications of the theoretical deductions to the investigation of the action of gunpowders and other explosives and to the construction and use of Ordnance material, are extensively illustrated by problems fully worked out in the text; the idea being that these solutions, in addition to making...
