*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: This book records a set of dialogues between scientists, theologians, and philosophers on what can be done to prevent a global slide into ecological collapse. It is a uniquely multidisciplinary book that exemplifies the kinds of cultural and scholarly dialogue urgently needed to address the threat to the earth represented by our super-industrial civilization. The authors debate the conventional account of nature conservation as protection from human activity. In contrast to standard accounts, they argue what is needed is a new relationship between human beings and the earth that recovers a primal respect for all things. This approach seeks to recover forgotten resources in ancient cultures and in the foundational narratives of Western civilization contained in the Bible and in the culture of classical Greece. Endorsements: A refreshing critique of both evangelical and liberal North American environmental discourse, a bold exercise in multi-disciplinary conversation, and a welcome retrieval of the virtues of creaturely humility and gratitude. -Ernst M. Conradie University of the Western Cape, South Africa This wonderfully rich book is a model of deep conversation on crucial challenges we face. The most important issues are intrinsically interdisciplinary, yet we often settle for talking at or to one another. This is especially true among the environmental and religious communities. The conversations in this book show that deep interdisciplinary engagements offer opportunities to re-frame the questions and re-describe the challenges in more promising and life-giving ways, transforming participants and the issues alike. A terrific achievement. -L. Gregory Jones Duke University Underlying the environmental movement are a set of mostly undiscussed ethical and theological assumptions about the nature of the world and our relationship to it.
