Quid Pro, LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Robert Dingwall and Philip Lewis s renowned compilation of diverse chapters-written by internationally recognized theorists and empirical researchers into the sociology of the professions-was groundbreaking when first published in 1983 and has influenced scholars, practitioners, and professionals since. Not limited to one occupation or field, as are most such studies, this collection examines across traditional fields the idea and practice of professions and professionals. The 2014 edition features a substantive new Foreword by Professor Sida Liu of the University of Wisconsin-Madison. He notes that this book is a rare effort to fully compare the two classic cases of doctors and lawyers in the professions literature. The contributors of the book include a number of prominent authors on the professions in Britain and the United States. Until today, it remains a vitally important volume for scholars and students interested in various aspects of professional life. Looking back, Liu adds, one must be struck by the extent to which theorists of professions and empirical researchers on doctors and lawyers from both the UK and US fully engage with one another throughout the book. He concludes that re-emergence of this excellent book three decades after its initial publication will reconfirm its status as a classic collection of essays on the professions. The Sociology of the Professions brings together enduring work by some of the most influential writers on the sociology of the professions. It is a deliberate attempt to extend the theoretical basis of the specialty by a comparative approach, using data and interviews on medicine and law. Recognized advances in understanding the professions resulted from the work of medical sociologists on the division of labor in health care...
