

The Monstrosity of Christ: Paradox or Dialectic?

Filesize: 1.39 MB

Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

MIT Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Monstrosity of Christ: Paradox or Dialectic?, Slavoj Zizek, John Milbank, Creston Davis, "What matters is not so much that Zizek is endorsing a demythologized, disenchanting Christianity without transcendence, as that he is offering in the end (despite what he sometimes claims) a heterodox version of Christian belief."--John Milbank "To put it even more bluntly, my claim is that it is Milbank who is effectively guilty of heterodoxy, ultimately of a regression to paganism: in my atheism, I am more Christian than Milbank."--Slavoj Zizek In this corner, philosopher Slavoj Zizek, a militant atheist who represents the critical-materialist stance against religion's illusions; in the other corner, "Radical Orthodox" theologian John Milbank, an influential and provocative thinker who argues that theology is the only foundation upon which knowledge, politics, and ethics can stand. In *The Monstrosity of Christ*, Zizek and Milbank go head to head for three rounds, employing an impressive arsenal of moves to advance their positions and press their respective advantages. By the closing bell, they have not only proven themselves worthy adversaries, they have shown that faith and reason are not simply and intractably opposed. Zizek has long been interested in the emancipatory potential offered by Christian theology. And Milbank, seeing global capitalism as the new century's greatest ethical challenge, has pushed his own ontology in more political and materialist directions. Their debate in *The Monstrosity of Christ* concerns the future of religion, secularity, and political hope in light of a monstrous event--God becoming human. For the first time since Zizek's turn toward theology, we have a true debate between an atheist and a theologian about the very meaning of theology, Christ, the Church, the Holy Ghost, Universality, and the foundations of logic. The result goes far beyond the popularized atheist/theist point/counterpoint...
