Brand New Book ***** Print on Demand *****.Excerpt from The Church and the Hour: Reflections of a Socialist Churchwoman Although this little book is entitled Papers by a Socialist Churchwoman, there is no discussion of socialism in it. This is because the author does not feel that the Church at large should be called upon to commit itself to any Ism, or special set of economic doctrines. She does not see, to be candid, how an intelligent Christian can help being a socialist. But that is her narrowness. She is obliged to confess that many devout and able minds do not embrace the creed so dear to her; and she is not concerned in this place with propaganda, but with considering the distinctive work and function of the Church as it is. If she is privately convinced that such action and attitude as this book calls for will lead all communicants ultimately to the socialist position, that is her own affair and might form the subject of another book.
