Brand New Book ***** Print on Demand *****.Heart s Bouquet is an insightful collection of thirteen lessons designed to help Christian women mature into all that Christ has planned for them to be. The spiritual beauty of a woman must be cultivated like a garden. Beautiful women, like beautiful flowers, require hard work, preparation, patience, pruning, and the love of a skilled gardener. Christian women must be rooted in God s Word to achieve their ultimate spiritual beauty. Some are planted in more difficult environments than others, but, with God s help and nourishment, all can blossom into their full beauty. These lessons are classic, timeless studies prepared by one who has already gone home to be with the Lord. She touched many lives for good during her years on earth, and she continues to teach by her godly example and the written works she has left behind. Allow her to help cultivate your heart s garden into the beautiful legacy that you were designed by God to produce.
