Brand New Book ***** Print on Demand *****.You become wealthy by seeking out problems people are willing to pay you to solve. So ask yourself, What solutions can I provide, and leverage into a genuine business? You want to know how to become wealthy? Seek out problems. Yep, that s exactly what it is. Ask yourself, if you re in the mode right now where you re wondering what you want to do, or even what you want to do next, What do people want bad enough they re willing to pay for it? By the way, you ll always be asking a form of this, and remember that you shouldn t do anything that isn t integrally connected with and furthering your definite chief aim in life. Ask yourself, what do people want and need that they re willing to pay for? What can I somehow or another deliver, or capitalize on? What do I see because of my unique life circumstances? The life you re living has characteristics that not all lives share that should give you a different vision. For instance, if you traveled back and forth from one country to another, sometimes even from another part of the country to the other-like from anywhere into Las Vegas and back is always a good experience-you might be seeing things other people aren t seeing. But the question is, What do other people want bad enough they re willing to pay for it? What can I provide and leverage into a genuine business? Give first, help others, solve problems. The problems are your opportunities, the problems that you solve. That s saying, Here s something that exists that can be exploited.
