Kuznya Freelance, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Amazons are real and taking over Las Vegas. Renowned photographer Dianne Fender was too late to save her Grandma Maggie. Now, no matter what she has to do or suffer, she is determined to control her psychic abilities so she can protect Liesel Grant, the new Amazon Matriarch. The odds are against her since Liesel has been shot at, kidnapped, robbed, and pissed off by the Mightys-a secret race of superhuman men. Doctor Sergei Sky must find a cure for the harsh Amazon gene mutations to help his family and others. Dianne, a double Amazon, is his best bet to test his early research. Plus, once he teaches her how to use her powers, she can find Liesel's stolen codex-an ancient record of the Amazons. Together they travel to Las Vegas for the first International Amazon conference. Assassination attempts, all you can eat buffets, a Harvest Team out to slaughter those who would expose the Mightys, and a Vegas wedding- Amazon style. Yep, things are totally going as planned.
