ANIMAL DENTISTRY AND DISEASES OF THE MOUTH

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. OCLC Number: (OCoLC)48179330 Subject: Medicare -- Claims administration. Excerpt: . . . 11 In this intermediary, the so-called hired guns, there is somewhat of a paradox in that that is the very model of privatizing government services, which is - I am not trying to be partisan here, but that has been sort of the mantra of the majority party now, and yet it is that very privatization that in some cases has made it more difficult for us to deal with them. And I just wonder if there are comments from the sponsors of the bill about that. Mr. T. We could probably have a discussion that would go OOMEY on for a very long time on this topic. I think that the word privatization can, of course, mean many, many different things to different people. Having a private corporation to perform the functions within a very highly bureaucratic government structure may not necessarily provide great relief. However, I think if we move in the direction of empowering patients to make the decisions about the kind of insurance product they would have, the kind of coverage they have, and diminish the control that the government has, that, I think, would be extremely helpful. Mr. B. I appreciate that point. I think my concern is in the AIRD nature of trying to root out waste, fraud or abuse, we have basically created consultative gun slingers - these bounty hunters - that go out, and they effectively act like that towards practitioners, and the practitioners who have been on the receiving end have said essentially you have created a virtually unaccountable organization to investigate well-intended practitioners with virtually no consequences. If we have a problem with Social...
