Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this EASY to read, EASY to follow guide, we show you how to defend your home from foreclosure written in plain English without the legalese. Discover the shocking truth behind foreclosure fraud that banks don't want you to know. Over 85 of subprime loans in the US have been securitized in the last 10 years. This means, chances are, your loan is too. And if your loan has been securitized, then your bank does not own your loan and, therefore, does not have the authority to foreclose on your home -- yet they do this every single day because they rely on your ignorance. Banks are literally stealing thousands of homes every day and kicking families to the curb through deceit and fraud. This book lays out the fraud that is being committed by the banking industry to steal billions of dollars from the American public in easy to understand plain English. This book provides shows you how the fraud is being perpetrated and provides you step by step instructions to help you put up...
