Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

SECOND THOUGHTS ON A SECRET LIFE (PAPERBACK)

Random House USA Inc, United States, 1997. Paperback. Book Condition: New. Reprint. 173 x 104 mm. Language: English . Brand New Book. If I was absolutely certain about all things, I would spend my life in anxious misery, fearful of losing my way. But since everything and anything is always possible, the miraculous is always nearby and wonders shall never, ever cease. I believe that human freedom may be stated in one term, which serves as a little brick propping open the door of existence: Maybe. Such is the philosophy that has built Robert Fulghum s All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It, and Uh-Oh into international bestsellers. His first book of wit and wisdom, All I Really Need to Know I Learned in Kindergarten, occupied the number one spot on the New York Times bestseller list for some 96 weeks. It was also number one in Ivy paperback, spent 133 weeks on the New York Times list, and has achieved the status of a contemporary classic. It Was on Fire When I Lay Down on It, his second book, also soared to instant success, becoming part of publishing history by seizing the New York Times top hardcover slot while Kindergarten remained a simultaneous hardcover and paperback bestseller. Uh-Oh, another number one bestseller, also reflects on the wonders of everyday life. Fulghum s books radiate a spiritual, yet down-to-earth universality that has made his writing appealing to readers in twenty-four languages; his books are distributed in ninety-three countries. To those modern classics, he now adds Maybe (Maybe Not), his wisest and most entertaining work to date. Opting for constant surprise, he continues to amuse and inspire with enlightenment encountered in the most unexpected ways and places. Consider...
