Reviews

It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

AL: AND AL

Liverpool University Press. Paperback. Book Condition: new. BRAND NEW, Al: and Al, Karen Allen, Al & Al's spectacular computer-generated videos radically re-appropriate contemporary pop culture through an inventive use of celebrity icons, live action performance and animation special effects. The exhibition features a new, large-scale commission developed through the artists' residency at the historically charged Edge Hill railway station, which will be shown alongside two existing works originally made for television. "Al & Al" is the first book to contextualise, the psycho-sexual and social consequences of technology explored in their work, and position their radical practice within a critical and art historical context.
