Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A STREET SMART CRIME THRILLER AND URBAN FANTASY ADVENTURE Officer Michael Prim doesn't know much about his father, but remembers bedtime stories of mercenary wars, dragon slaying, and demon fighting. With his father gone, he serves as a hard charging beat cop in the Blue Point Police Department, never growing comfortable with the Dragon Badge they wear. He knows how to hunt down cop killing gang members, bring street justice down on wife beaters and child molesters, and put some muscle in police action. Yet something wicked is invading Blue Point, capturing souls and using the bodies as functional zombies to spread chaos and destruction. Soul stealing and zombie gang warfare has got to be a crime. Magic and sorcery had no place in police work before Travass Isegurad came with hellhounds, demons, and a relentless obsession to destroy the exiled son of the last Dragon Slayer. With the help of a burnt out, alcoholic cop who was kicked out of the seminary long ago, Prim learns that Travass is the most deadly serial killer alive and is executing an apocalyptic vendetta. Prim is forced to fight for his soul in a demon cage fight, stalked by hellhounds, and pays for the sins of his father. Learning of his heritage might be easier if his girlfriend was not at least half dragon and determined to be right in the action. The next 9-1-1 call may be the end of the world as we know it. If Prim fails, the gate to a dangerous alternate reality will swing wide, releasing monsters, wizards, and warrior lords to pillage humanity.
