America Star Books, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I grew up in the inner city of a high-crime area and was able to move out of there when I was a teenager. From that point on I lived in the suburbs of Chicago, Illinois. I owned and operated my own business for three years in my twenties. Then I became a headhunter for the next thirteen years. I was diagnosed with schizophrenia in my thirties. I was very surprised. I ran from reality and joined the Army in 1999. I decided to face my problem while in the Army and was discharged in 2000. From there I did the best I could going from job to job. The straw that broke my back was the illness turning from words in my brain to actual pain throughout my body, which finally led me to fibromyalgia as well. This is my story in retraining myself how to think to stay sane while all odds, it seems, are against me.
