

Disaster and the Politics of Intervention

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Columbia University Press. Paperback. Book Condition: new. BRAND NEW, Disaster and the Politics of Intervention, Andrew Lakoff, Government plays a critical role in mitigating individual and collective vulnerability to disaster. Through measures such as disaster relief, infrastructure development, and environmental regulation, public policy is central to making societies more resilient. However, the recent drive to replace public institutions with market mechanisms has challenged governmental efforts to manage collective risk. The contributors to this volume analyze the respective roles of the public and private sectors in the management of catastrophic risk, addressing questions such as: How should homeland security officials evaluate the risk posed by terrorist attacks and natural disasters? Are market-based interventions likely to mitigate our vulnerability to the effects of climate change? What is the appropriate relationship between non-governmental organizations and private security firms in responding to humanitarian emergencies? And how can philanthropic efforts to combat the AIDS crisis ensure ongoing access to life-saving drugs in the developing world? More generally, these essays point to the way thoughtful policy intervention can improve our capacity to withstand catastrophic events. Additional Columbia / SSRC books on the Privatization of Risk and its Implications for Americans Bailouts: Public Money, Private Profit Edited by Robert E. Wright Health at Risk: America's Ailing Health System-and How to Heal It Edited by Jacob S. Hacker Laid Off, Laid Low: Political and Economic Consequences of Employment Insecurity Edited by Katherine S. Newman Pensions, Social Security, and the Privatization of Risk Edited by Mitchell A.
