

Minnesota Cold

By Cynthia Kraack

North Star Pr of St Cloud. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. The amazing thing about this bracing Orwellian vision of a post-nuclear future is that it's hopeful. Full of compelling family drama and characters who believe in human dignity and the possibility of freedom even against the odds. It's a great read. Alan Davis, author of *Alone with the Owl* A lovely, haunting tale. Very compelling, encompassing the wonders of modern medicine with the havoc bio-testing might do to humans, but always staying grounded in the ways of the human heart. Mary Logue, author of *Point No Point* A thoughtful and thought-provoking thriller. The twists and turns in Sallie's journey will keep the reader flipping the pages. Keep a pair of mukluks close. *Minnesota Cold* is chilling. Charles Locks, *Greater Trouble in Lesser Antilles* Readers who have loved *1984*, *Brave New World*, *Soylent Green*, *Fahrenheit 451*, or *The Handmaid's Tale* will devour this book, too. Rigorously plotted and carefully written. The author brings Minnesota into a frightening fictional future with no holds barred and no politically correct nods to outmoded decorums. Ian Graham Leask, author, publisher and host of...

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

-- **Desmond Becker**

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).
