Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Bugs and Spiders: v. 8, David Orme, Which bug has the most legs? Which bug is the fastest runner? Which spider is the most poisonous? And what's the deadliest bug of all? You might be surprised! This is the world of bugs and spiders. Find out all about it. Get the facts. Got that? Then read 'What's Bugging You?', a story about alien explorers who get a BIG welcome from the local insect life. Bugs and Spiders is part of the Trailblazers series, published by Ransom Publishing. It is ideal for older children and young adults with a reading age of 5 - 8. The books are suitable for general reading or as part of a more structured reading programme. Each book is on a strong, popular topic, with a colourful, attractive layout, combining fact and fiction. Each book has a non fiction and a fiction section. The fiction story appears in two formats - one with simple texts for poor readers; the facing pages contain an illustrated "speech bubble" version of the same story, for those who are just starting to learn to read. These two levels of entry give access points for children and young adults with different reading ages. The vocabulary of each book is carefully limited, with simple sentences to reinforce reading skills, which make the books suitable for even the poorest readers.
