Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Russians in Los Angeles There are approximately 3750 Russians in Los Angeles. Of this number, about 100 are Pravoslavni, or followers of the true faith. They are nominally members of the Greek-Catholic Church in Russia, but actually, many are now free-thinkers. They are sometimes referred to in Los Angeles as non-sectarians. The remaining 3650 Russians in this city are sectarians. Because they constitute 97 percent, of the Russian population of Los Angeles, they will be given the chief place in this monograph. It may be noted in passing that no Russian Jews are included. Only persons who belong to the Russian division of the Slavic race are discussed. Of the sectarians, 3300 are Molokans (milkdrinkers), 50 are Dukhobors (evil spirit fighters), and 250 are Subotniks (Judaized Russians). The Molokans, in turn, are composed of Priguni (jumpers) and Postoyani (steady) in the proportion of 3100 to 200. The first group of Molokans, who came here in 1905, settled around Bethlehem Institute on Vignes Street. When others came, a few bought homes along Clarence and Utah Streets. Then the settlement grew in the district situated between Boyle Avenue on the east and the Los Angeles River on the west, and between Aliso Street on the north and Seventh Street on the south. Recently there has been a new settlement made along what is known as Salt Lake Terrace several blocks east of the larger colony. On that street are located many of the somewhat better homes. In a hollow south of Stephenson Avenue and east of Mott Street, there is a group of about sixty houses occupied by Russians only. About the Publisher Forgotten Books publishes...
