

Modern France: A Very Short Introduction

Filesize: 3.01 MB

Reviews

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).
(Shaniya Torphy PhD)

MODERN FRANCE: A VERY SHORT INTRODUCTION

[DOWNLOAD](#)

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Modern France: A Very Short Introduction, Vanessa R. Schwartz, In this Very Short Introduction, Vanessa Schwartz argues that modern France, as both a world stage and a global crossroads, is an essential actor in the development of contemporary culture. Indeed, French is the only language other than English spoken on five continents, and more people still visit France than anywhere else in the world. French fashion continues to dominate haute couture and, at the same time, French people are at the forefront of international "style," which was as true in the first half of the twentieth century as it is today. This tension between "Frenchness" as both particular and transnational remains one of the most compelling qualities of the culture. If French culture and culture producers are working around the globe, if Paris is an international capital, the marvel is that France still manages to attract visitors from all over the world seeking out the drama of its historic castles and significant battlefields, its more than 300 cheeses and the renowned wines grown in its rich soil. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
