Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Dictionary of Anecdotes, Vol. 1 of 2: Chiefly Historical, and Illustrative of Characters and Events, Ancient and Modern; Drawn From Genuine Sources, and Alphabetically Arranged According to the Respective Subjects Collections of Anecdotes are common in our language as well as in most others; nor has the Editor of the one now offered to the Public, any inclination to depreciate the value of those labours by which he has frequently been amused, and of which, in this Selection, he has occasionally profited. But it must be allowed, that even some of the best of these Compilations have deviated from the strict propriety of their title, by giving criticisms and opinions, fictitious narratives, and pieces of poetry, as Anecdotes, to which appellation most unquestionably such articles can have no legitimate claim. Most of these works are also defective in the mode of arrangement; the greater part of them being miscellaneous, observing no order in the disposition of the subjects; while those which preserve some form of classification, place the Anecdotes under the names of the persons concerning whom the matters are related. This last method, however, is not particularly objectionable; though it by no means possesses the advantages derived from the plan pursued by Wanley, in his Wonders of the Little World; where the most striking phenomena of human nature are disposed in a regular manner under their respective heads and qualities.
