Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you a high school student thinking about going to college? Are you already taking classes at the college level? Perhaps you are thinking about going to (or returning to) college after working a job or career for many years. No matter what your personal situation is, if you are considering going to college, the Psychological Keys to Student Success (PK2SS) is a book designed for you. Students get advice about how to study all the time; reading, highlighting, reviewing, memorizing, making flashcards, and summarizing are common studying strategies. However, to maximize your learning, you also need many thinking skills and personal characteristics. These are skills and characteristics that most teachers don't teach you about. The emphasis of this book is teaching you HOW TO THINK, which will make your studying skills more effective and help you keep up with the rigors of a college education. Earning a college degree is hard work. It requires a lot of effort, some serious concentration, and a stick-with-it attitude. Decades of psychological research show there are consistent differences between students...
