This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

He is joined in his quest by a Trader, a Thief, and two Exotic Dancers. Together they face Huns, Vandals, Wolves, and a massive Saber Tooth Cat. Malica finds Prince Jal and convinces him to form an army to free the people of Nubia. With his daughter Jasmine by his side, Jal forms his army. King Khrom joins forces with Jal, while Princess Jasmine enlists five hundred Kreigg soldiers. Queen Freeya convinces the Sorcerer Gaul to release the mighty Black Dragon Kee from his glacier. Together Freeya rides Kee to the valley of the swine, where Kee can recover from his time in the glacier and feed on the vast herds of wild pigs. The long march to Nubia begins. Jal knows he faces many obstacles on his march to his homeland. His army must travel over unfamiliar territory, and face a large Arab fleet when they cross the sea to Africa. Once they reach Africa, they must fight their way across the desert to reach Nubia. In Nubia he must face an army of far greater size that has many war elephants. His greatest hope lay in Freeya and her Black Dragon.
