NATIONAL TRUST, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 210 mm. Language: N/A. Brand New Book. But despite its long and varied history, Greyfriars almost didn't make it to today. In the mid-20th century, many of Worcester's historical buildings were demolished. If it wasn't for a determined group of locals, Greyfriars and the surrounding Friar Street shops may have been among them. Instead, thanks to that group, this 600-year-old manor survives to offer an insight into Worcester's medieval past. But most of all, it paints a picture of the two siblings who saved, conserved and lived here, Elsie and Matley Moore. Remaining as they left it, Greyfriars is, above all, a welcoming family home and peaceful retreat from the hubbub of the city. About the author Julie MacLusky is a writer whose work has encompassed screenwriting, short fiction, non-fiction and broadcast journalism with the BBC. She founded the degree in Creative Professional Writing at the University of Worcester, where her educational consultancy provides support for those interested in using writing as a tool to engage students and drive up standards. Julie is currently writing a thriller designed as an antidote to Chick Lit, and in collaboration with an Illustrator, a children's picture book.
